BRUNELLO DI MONTALCINO

88

A well-made Brunello from the southern portion of Tuscany, this dark ruby/purple-colored offering displays notes of dried prunes, olives, spice box, tobacco, and black cherry fruit. Medium to full-bodied, with a roasted character to the flavors, it is a dense, moderately tannic, powerful wine that can be drunk now, but is best cellared for 2-3 years and consumed over the following 10-15. (Robert Parker)
